Looking after St. Mary's churchyard – we're calling all gardening volunteers.

The churchyard surrounding St Mary's needs volunteers to keep it tidy.

The tasks are varied; some need doing annually and others on an ongoing basis from March to October. If you can spare some time on a one-off or a regular basis please email strensallstmarys@gmail.com or pccsecretary@gmail.com and let us know.

You do not have to be an accomplished gardener to make difference.

There will be people to find the right job for you to do.

Some jobs are more strenuous than others but there is something for everyone - mowing, weeding, cutting back ivy, wheeling rubbish to the compost heap, attacking brambles, chopping down saplings, seed sowing, clearing headstones of long grass and ivy, sweeping paths or building bonfires.

If you would like to work alongside others, we spend most Wednesday mornings gardening and would welcome extra pairs of hands. The churchyard is a gift to us, and one we all want to help with and take responsibility for. Please do respond as you can with your time

Your Village Hall needs YOU

Strensall Village Hall actively provides excellent accommodation for a wide variety of sports, social and business needs. Behind these premises is a small group of dedicated volunteers who manage the facilities. We meet six times a year and are proud of the many achievements we have made. We would love you to join us in ensuring that the Village Hall continues to offer these services. We need people to come on board with fresh ideas and help us continue to improve our facilities.

This is a community venture so please consider helping to support the premises you so often enjoy.
